

TOP REASONS TO BUY

- 1 Most accurate version ever**
Dragon NaturallySpeaking delivers up to 99% accuracy.
- 2 Be productive on the go**
Dictate into the included digital recorder, or any other certified handheld recorder or Pocket PC. Use Dragon NaturallySpeaking 10 Preferred Mobile to automatically transcribe your documents later.
- 3 Create documents, reports and emails faster**
You can speak more than three times faster than you can type.
- 4 Easier than ever to use**
Dragon NaturallySpeaking installs quickly and requires no special script reading. New on-screen help and tutorials will make you an expert user in no time.
- 5 Works with most commonly used desktop applications**
Launch, manage and dictate into virtually any Microsoft Windows-based program, simply by speaking.
- 6 Dragon Voice Shortcuts for Web and desktop search**
Collapse common tasks into simple voice commands so you can search the Web or your desktop faster than ever before.
- 7 Seamless compatibility with Microsoft Office**
Special Natural Language Commands let you “say it your way.” Plus, you can dictate, edit and navigate menus in virtually any Windows application.
- 8 Boost productivity**
Use a single voice command to insert blocks of text or graphics – such as your name, title, logo and signature.
- 9 Be productive on the go**
Dictate into any Nuance-certified handheld recorder or Pocket PC. Use Dragon NaturallySpeaking Preferred to automatically transcribe your documents later.
- 10 The world’s best selling speech recognition software**
Dragon NaturallySpeaking products have won more than 175 awards worldwide for accuracy and ease-of-use.

Create Email, Documents and Spreadsheets – All by Voice

The world’s most accurate and best-selling speech recognition application

Now there’s a fast, easy way to capture your thoughts, prepare meeting notes or complete reports – whether you’re heading to an appointment, at the airport, or simply away from your PC. Dragon® NaturallySpeaking® 10 Preferred Mobile is the most accurate speech recognition product Nuance has ever developed – ideal for PC enthusiasts or business users on the move. Turn your voice into text three times faster than most people type – with up to 99% accuracy. Create email, documents and spreadsheets, simply by speaking.

New Dragon Voice Shortcuts collapse common tasks into simple voice commands. Or create custom commands to insert blocks of texts or images—such as your name, title, and signature—with a single voice command. Edit and format text faster than ever with Quick Voice Formatting. Use the included digital handheld recorder to capture your dictation when you’re away from your PC, and let Dragon NaturallySpeaking automatically transcribe it. A high-quality headset is also included, or you can use a Nuance-approved Bluetooth wireless microphone as an input device.

Benefits

UP TO 99% ACCURATE AND THREE TIMES FASTER THAN TYPING

Most people speak over 120 words per minute, but type less than 40 words a minute. That means you can create documents and emails about three times faster with Dragon NaturallySpeaking. Dragon never makes a spelling mistake, and it actually gets smarter the more you use it!

EASY TO USE

Dragon NaturallySpeaking installs quickly and requires no special script reading. New on-screen help and tutorials will make you an expert user in no time.

WORKS WITH THE APPLICATIONS YOU ALREADY HAVE

Use your voice to dictate, edit and control applications like Microsoft Word, Microsoft Outlook® Express, Microsoft Internet Explorer®, and AOL®.

SIMPLIFY WEB AND DESKTOP SEARCH WITH DRAGON VOICE SHORTCUTS

Use Dragon Voice Shortcuts to quickly search for information on the Web or on your own computer. Need to find some information on the Web? Just say “Search the Web for global warming articles,” “Search Wikipedia for George Washington Carver,” or “Search eBay for Batman comic books.” Searching the Web or your computer has never been faster – or easier.

BLUETOOTH SUPPORT

Use Dragon NaturallySpeaking with Nuance-approved Bluetooth headsets for great dictation results without the wires.

BE PRODUCTIVE ON THE GO

Dictate into the included Philips digital recorder device when you’re away from your desk for automatic transcription when you synch with your PC.

Accurate speech recognition for PC applications

Create & edit documents and spreadsheets

Send email, IMs and surf the Web all by voice

Dragon Voice Shortcuts to perform tasks faster than ever

Dictate in to a handheld recorder for later transcription

SYSTEM REQUIREMENTS

- CPU: Intel® Pentium4® or later or AMD Athlon 64 1 GHz or later. (SSE2 instruction set required.)
- Memory: 512 MB RAM (1 GB RAM for Windows Vista™ and 2 GB RAM for Windows 7 32- and 64-bit)
- Free hard disk space: 1 GB (2 GB for Localized non-English Editions)
- L2 Cache: 512 KB
- Supported Operating Systems
 - Windows Server 2000
 - Windows Server 2003
 - Windows 2000 SP4
 - Windows XP SP2 and SP3, 32-bit
 - Windows Vista™ SP1 and SP2, 32-bit and 64-bit
 - Windows 7, 32-bit and 64-bit
- DVD-ROM drive (required for installation)
